Here's a bit of clarification on the request for info about third party organizations.

In addition to those where you have an individual membership please note those where PM has membership as well.

Here are those I know about:
US Industry Ingredients Group at Covington & Burling (This is the organization through which the US industry submits information about ingredients added to tobacco to HHS. I'm not sure if there is a formal name for the group.)
International Ingredients Group (This is an informal gathering of the many cigarette companies from around the world.)
The Tobacco Manufacture's Association (TMA) in the UK

Thanks,
George

Yes...I think we want to capture any place that PM is represented by an individual, especially industry groups (i.e. IIC).
Thanks, -L

Hi George,
My understanding is that we want to capture memberships by individuals.

Loreen, is there also a need to capture the second scenario that George describes below?

Thanks,
Valerie

Valerie,
I belong to the American College of Toxicology.

I have a question about industry groups. Are you only interested in those groups where membership is by

individual? For example, PM belongs (in some manner) to the US industry ingredients group for HHS submissions and certain people typically attend those meetings but those people aren't members per se.

Thanks,
George

Subject: Third Party Organizations

In order to capture areas where PM employees (both US and International) act as representatives of Philip Morris in organizations or working groups, I need a list of the following (if applicable):

1) Any trade or third party industry organization to which you belong **IN ADDITION TO** any research they are funding or plan to fund (i.e, VdC, Coresta, TMAs, etc.);

2) The name of any working groups to which you belong, both internal or external to PM, **IN ADDITION TO** any research they are funding or plan to fund; and

3) Any professional societies to which you belong.

Please provide me this information by Thursday, **December 2**.

If none of these are applicable to you, please let me know that as well.

Let me know if you have any questions.

Thanks,
Valerie
